'how to get more college

students to vote the washington  
post

June 7th, 2020 - younger voters

lean toward the democratic

party on average but their

turnout typically drops in

midterm elections more than

that of older groups for example

between 2012 and 2014 turnout'

'broadening youth voting circle

June 3rd, 2020 - young people

were influential in the 2016

democratic nominating contest

in 2018 our most recent

estimates show that a record

high 28 of young people voted in

the midterms more than

doubling the record low 13

youth turnout in 2014 our

research has also shown that

youth turnout increased in every

state for which we have data'

'young voters turned out in

historic numbers early

June 8th, 2020 - participation in

this year s midterms started

---
