---

proposals addressing  
climate change as  
part of the country  
s second covid 19  
economic stimulus  
package may 7'

'how climate change  
affects mental  
health psychology  
today

May 6th, 2020 - the  
stress of worrying  
about climate change  
s impacts may also  
lead to maladaptive  
coping mechanisms  
such as substance  
abuse while  
heightening people s  
risk for depression  
and anxiety'

*'what is climate  
change and how does  
it affect us*

*May 28th, 2020 -  
causes of climate  
change global  
warming is caused by  
the greenhouse  
effect a natural  
process by which the  
atmosphere retains  
some of the sun s  
heat allowing the  
earth to maintain  
the necessary  
conditions to host  
life without the  
greenhouse effect*

---

the average  
temperature of the  
planet would be 18 0  
c the problem is  
that daily human  
activities maximize  
the greenhouse  
effect causing the '  
**'climate of crisis  
the plastic eback  
wicked leeks**

May 25th, 2020 -  
granted it s useful  
in an emergency but  
crisis materials can  
t be everyday  
materials unless we  
live perennially in  
a crisis our gains e  
at another munity s  
loss many  
epidemiologists  
suggest that plastic  
waste in countries  
such as indonesia a  
frequent recipient  
of our plastic waste  
could act as a  
vector for  
infectious diseases  
such dengue zika and  
malaria'

**'covid 19 resources  
pri**

May 28th, 2020 - to  
help mobilise the  
investor response we  
have published a  
number of blogs on

---

*the topic as well as  
a bulletin on how  
responsible  
investors should  
respond to the  
pandemic we also set  
up two engagement  
groups on the long  
and short term  
implications of the  
virus so that  
investors could help  
shape and support  
pri signatory*

**action''hot topic  
climate change as a  
public health crisis**

May 21st, 2020 -  
however the issue of  
climate change has  
been widely  
politicized around  
the world and  
relatively little  
tangible progress  
has been made  
towards a greener  
future recognition  
of climate change as  
a public health  
crisis by global  
citizens and leaders  
may be necessary to  
motivate productive  
change'

**'climate change meet

visualise the impact  
climate change but  
it s important not  
to feel overwhelmed  
by the scale of the  
climate crisis'

*'climate crisis  
democracy now*

*April 22nd, 2020 -  
for years democracy  
now has closely  
followed the issues  
of global warming  
and climate change  
we reported live  
from the recent u n  
climate change  
conferences  
including lima  
warsaw and doha'*

*'climate crisis*

*May 22nd, 2020 -  
climate crisis is a  
term describing  
global warming and  
climate change and  
their consequences  
the term has been  
used to describe the  
threat of global  
warming to the  
planet and to urge  
aggressive climate  
change mitigation  
for example a  
january 2020  
bioscience article  
endorsed by over 11  
000 scientists*

---

---

worldwide stated  
that the climate  
crisis has arrived  
and that an immense  
increase of 'climate  
change' **bbc news**  
May 27th, 2020 - key  
un climate talks  
were due to take  
place in glasgow in  
november 2020 but  
could now take place  
one year later read  
more posted at 15 27  
26 may climate  
change could have  
more impact than  
virus'

*'hot topics
