customer reviews nginx from beginner to pro

November 21st, 2019 - i think it s fair to say that while advertised as beginner to pro this book is absolutely focused on beginners who are not familiar with how web servers function it takes more than half the text to get to anything beyond basic configuration of nginx and upon doing so it provides only the most basic instruction offering virtually no insight from the author s experience'

'squid proxy server 3 1 beginner s guide ebook by kulbir

May 12th, 2020 - part of packt s beginner s guide series this book has lots of screenshots and step by step instructions to help you get to grips with the techniques as quickly as possible each chapter is dedicated to a different aspect of the squid proxy server so you will have a thorough understanding of how everything works and how it is connected by the end of the book"ansible from beginner to pro by michael heap books on
